

AGREED is the tournament game of quotes. It is an experience for one to eight players of all ages. AGREED is the surprisingly fun game that gets people to talk about the “real stuff.” Real stuff includes: Peace, Dreams, Hopes, Love, Trust, Honesty, and Genuine Friendship. In the game AGREED players read the quotes of two sages and agree upon which quote they think is more meaningful or beautiful. If the players agree that one quote is more meaningful or esthetically pleasing, the author of the captivating quote advances to the next round in the play-offs. If you pitted the wisdom of Mother Teresa against the wisdom of Gandhi, who do you think would win? Are you game?

Contents: Game board, 400 quote cards, and directions. Expansion packs of extra quotes available.
